

Environmental Self-Portrait Reflection Writing

Directions: Using a pen(cil) and paper, answer the following questions in paragraph form so that Mr. McCarthy receives a clear understanding of your process for completing this assignment.

Was the environmental self-portrait an easy assignment for you to accomplish?

Describe the environments you considered using for your environmental self-portrait.

Describe the environment you decided to use for your environmental self-portrait.

What is it about this environment that makes this an ideal or, at least, informative background for your photos.

Describe your process for shooting the photos.
