

Photographer Viewing Assignment

This viewing assignment was created to bring all video creators together for the final stage in the Portrait of a Photographer Video Project. If you have completed "PortraitV2" and submitted it to Mr. McCarthy's teacher drop box, complete the assignment below in class today. **If you have not completed and submitted "PortraitV2," the assignment below is your homework.** Complete and turn in at the beginning of class tomorrow. Use today's class time to complete you are to complete "PortraitV2."

Directions: Search for two short videos (ideal length: 5-10 min.) that feature your chosen photographer as a subject. Watch the videos and complete the written assignment below.

1. Title of Video:
2. Producer/Author:
3. Summarize the full focus of the video in full sentences. Some videos will focus on the photographers life, some on their career, some on one part of their career? Your goal is to specify the intent of the video and to summarize the contents you have viewed.
4. What new information have you learned about your photographer from this video? Be specific.
