

## The Selfie, the Self-Portrait, and the Environmental Self Portrait

1. Begin a Google Slides Presentation
2. Title slide should include the following information:

The Selfie, the Self-Portrait, and the Environmental Self-Portrait

Your Name

DSLR Photography

Gregori High School

Mr. McCarthy

3. Now that we've had a chance to discuss the differences between a selfie, a self portrait, and an environmental self-portrait, define these three types of photos on your second slide. Use this format:

A selfie is...

A self-portrait is...

An environmental self-portrait is...

4. For your third slide, describe how to use the camera timer on your cell phone. Begin with naming your phone brand and model, then describe what actions you must take, as well as choices available to you, in order to take a self-timed photo.
5. Take a self-timed selfie. Post it above your description on slide #3.
6. Download the folder titled "52 Frames Self-Portraits" from Class Resources. Using Adobe Bridge, browse through the 35 self-portrait "Staff Picks" and select your favorite 10.
7. Carefully crop the Facebook comments from the 10 photos in Photoshop.
8. Post the 10 photos for slides 4-13 and, below each photo, briefly discuss the reason why this self-portrait appeals to you.
9. Put your name on your selfie (lastname\_first.jpg) and turn in it in to teacher drop box.
10. Learn how to set timer on Nikon D3400.
